I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

My compounded prescription  
relieves my symptoms & makes it  
possible for me to live a  
normal life. I have used  
my progesterone for the last 10  
years. I can't get the quality of  
drug anywhere near me. So  
Madison Pharmacy has been a  
lifeline
